MEDICAL VILLAGES AND KIDS BEATING CANCER 5K GOLD FUN RUN/HEALTH FAIR TO END CHILDHOOD CANCER

Orlando | Mount Dora, Fla. – (July 28, 2016) Medical Villages, Orange Avenue Medical Group, and Kids Beating Cancer are going GOLD to end childhood cancer. In honor of National Childhood Cancer Awareness Month, the inaugural 5K GOLD Fun Run/Health Fair Fundraiser, sponsored by Medical Villages and Orange Avenue Medical Group to benefit Kids Beating Cancer, will take place on **Saturday, September 17, 2016** at 6909 Old Hwy 441 in Mount Dora. 8-year old cancer survivor Morgan will start the race along with hundreds of walkers and runners wearing GOLD in honor of all who are fighting to beat childhood cancer.

“We are so honored to be the recipient of this race, states Margaret Guedes, CEO, President and Founder of Kids Beating Cancer. “Cancer has touched millions of lives and families. As the only non-profit of its kind in America, we serve children diagnosed with leukemia, cancer, and 80 other malignant and non-malignant life threatening diseases. We provide the best pediatric stem cell transplant treatment by supporting forefront protocols and family-centered patient support services. Any child can come to the Kids Beating Cancer Pediatric Transplant Center regardless of insurance coverage or the family’s financial means for the evaluation and potential transplant.”

Registration starts at 8:00AM and the race will begin at 9:00AM, rain or shine. The tax-deductible registration fee is \$20 before September 1st and \$25 after September 1st. Kids 12 and under are free. To register, visit www.run4acause.org/goldrun. For sponsorship opportunities, call Tracy Greer at 706-974-0973 or tgreer@medicalvillages.com. All fitness levels are welcome and this event is designed for the whole family to enjoy.

About Medical Villages

Majors Investments owns and develops Medical Villages buildings across the Central Florida area in the following cities: Nona, DeBary, Winter Haven, Winter Garden, Mount Dora, Clermont, Leesburg, Palm Coast, Kissimmee, Oviedo, Longwood, Maitland, Their portfolio consists of properties custom developed for healthcare tenants ranging from independent physicians to national healthcare organizations. Their team handpicks buildings and development sites for new construction based on the current healthcare landscape. They look for ways to enhance a physician’s patient base through the development of the properties they acquire or through ground-up development projects. Majors Investments plans to continue to partner with the independently owned physicians to increase their patient market share across Central Florida. For additional information, call 866.264.6457 or visit www.medicalvillages.com.

About Orange Ave Medical Group

Orange Ave Medical Group owns, manages, and operates a variety of medical practices throughout central Florida. Their state-of-the-art health care facilities offer an all-inclusive approach to meeting the medical needs of each community they serve. Orange Ave

Medical Group and its affiliates specialize in: preventive medicine; family medicine; women's health; nutrition; physicals; pediatrics; osteopathic manipulative therapy; podiatry and much more. For more information, please call 407.459.4360 or visit www.oacmg.com.

About Kids Beating Cancer

Founded by Margaret Guedes, in memory of her son John, the Orlando-based 501 3-c non-profit, Kids Beating Cancer (KBC), has served 8,500 children during its 24 years and added 38,000 donors to the national registry. Kids Beating Cancer is advancing cures through the science of cutting edge treatment at the Kids Beating Cancer Pediatric Transplant Center while providing resources and support for children with cancer, leukemia, and related life-threatening diseases throughout the treatment process. Kids Beating Cancer pays for the transplant testing and donor identification, costs never covered by Medicaid and only partially covered by insurance for children. By removing these financial barriers any child can have access to bone marrow and stem cell transplantation, at the Kids Beating Cancer Pediatric Transplant Center, the best—and only hope for a cure. For additional information on ways to sponsor or volunteer, call 407.894.2888 or visit www.kidsbeatingcancer.org.
